

THE LAND GAP REPORT - CHALLENGING THE 'NET' IN NET ZERO

ONLINE AGENDA

- 7.25** Welcome to the Land Gap Report with Lead Author Dr Kate Dooley
[RSVP here](#), and find out more in our [short explainer blog here](#).
- 7.30** Ray Peck - Lighter Footprints Committee, Acknowledgement
- 7.35** Intro **Dr Kate Dooley, Research Fellow, Climate & Energy College, Melb University**
Kate has policy expertise on forest governance, climate change and carbon accounting and has advised government and NGOs for nearly two decades.
- 7.40** **The Land Gap Report**
The report finds that there just isn't enough land to carry on with carbon offsets. We should protect and restore forests, recognise land rights and develop agroecology instead.
- 8.10** **Audience Questions**
- 8.45** Amy Hiller - Letter Writers Working Group Report
- 8.50** Lynn Franks - Lighter Footprints Co-Convenor - **Coming Events & Next Steps**

April 26: Safeguarding our Climate

Spending money on offsets is not enough, heavy emitters must be pulled into line, and stop relying on unlimited dodgy offsets. Learn more and how we can campaign! With **Dr Jennifer Rayner** Head of Advocacy, Climate Council, and **Leigh Ewbank**, Senior Climate Outreach Manager, CANA - [RSVP here](#) and [more info here](#).

May 24: Electrify Borroondara, Electrify our Homes!

As well as learning more about how clean, efficient electric appliances can help you lower energy bills and protect your families health, we will introduce the Electrify Borroondara project. [RSVP here](#), and learn more [about making the shift here](#).

Working Group Updates

Not sure how to get active on climate? Join one of our new working groups. Head on over to our [Take Action page](#) to indicate your interest.

Forests Working Group

Do you want to help protect Victoria's native forests? [Join](#) Lighter Footprints Forests Working Group and be part of the movement to end native forests logging for good.

Electrify Borroondara Working Group

Lighter Footprints is supporting Electrify Borroondara, a joint community-wide project! We're meeting fortnightly on Zoom. [Join by checking the second tick box here](#)
More in March: Thurs 23, [Electric Homes Webinar](#); Fri 24, [EV Forum](#); [Renew seminars](#)

Lighter Footprints is committed to facilitating effective climate action. For over a decade, we have educated, advocated and brought people together in Borroondara and surrounding suburbs to inform the community and promote a clean energy future.

Lighter Footprints acknowledges the leadership and custodianship of the Wurunjeri people of the Kulin nations.

We pay our respects to elders past and present.

Working together makes us powerful!

Forests Working Group

This new group is committed to stopping native forest logging in Australia but has a particular focus on Victoria's forests.

New members welcome. [Updates here](#) [Sign up here](#)

Forest tours 31 Mar, 2 Apr, 30 Apr & 28 May: juliacroatto@gmail.com

Support Electrify Boroondara

All-electric homes save on energy bills. If you are keen on solar and want to help local households and businesses move away from gas then [sign up](#) to help support this new community-wide local climate action initiative.

April 26th, 7.30- 9pm, 533 High St, Kew

Real reductions not dodgy offsets Safeguarding our Climate

Heavy emitters need to pull their weight - we need real climate action not exemptions and reliance on unlimited dodgy offsets. Find out more from the Climate Council's Head of Advocacy on the Safeguard Mechanism, and why the campaign for no more coal and gas is so important.

Let's hear about what we can do from the experts!

With Dr Jennifer Rayner & Leigh Ewbank

May 24th, 7.30- 9pm, 533 High St, Kew

Save on energy bills, protect your family's health Electrify Boroondara, Electrify our Homes

By switching your appliances from gas to electricity, you can save money on your household bills, improve your family's comfort, protect them from gas health impacts, and take action to help stop climate change.

Electric appliances are cleaner, safer and better for the planet! We will also introduce [Electrify Boroondara](#), a community-wide project supported by an alliance of groups including Lighter Footprints.
